- Light Winching/Extricating Assistance
- And More!

Road Hazard Tire Wheel Protection

Road hazards are an unfortunate aspect when it comes to managing over-the-road fleets, whether you're on a long haul or handling final-mile deliveries. Our program handles many common on-the-road issues such as punctures, impact breaks and more, including mounting and balancing. Flexible terms from 1-5 years. with pricing based on truck class.

- Repair and Replace Road Damaged Tires, Including Retreads
- Wheel and Rim Repair and Replacement
- Flat Tire Repair
- Mounting, DeMounting
- Valve Stems
- Disposal

SafeGlass Windshield Protection

The driver's view of the road ahead is only as good as its windshield. With SafeGlass you get advanced Resistall technology AND industry-leading coverage to keep you on the road and in compliance. This Dealer-applied patented liquid solution strengthens the glass, fills microscopic peaks and valleys and prevents increased chip and crack resistance by up to 80%. Once your windshield is covered with Resistall, we offer protection programs from 1-5 years, with pricing based on selected aggregate repair/replacement limits.

- Advanced Resistall protection
- Repair and Replacement
- Confidence in roadside inspection windshield compliance

Preferred Plus Medium Duty - New and Used

If your fleet is primarily class 4-7, the Preferred Plus program offer the unique comprehensive coverage whether you're running regional routes or handling final-mile deliveries. It features no limits on labor rates and is back by generous coverage limits. Flexible terms from 1-5 years. with pricing based on truck class.

- Vehicle Service Contract or Core Coverage Programs cover many core systems
- ZERO deductible when repaired at any Bergey's Truck Center
- Valuable core contract with flexible add-on options based on your fleet needs
- 1-3 year terms based on mileage, class and options
- Mileage caps: 450K diesel, 250K gas

Ultra2 Heavy Duty - New and Used

The Ultra2 is designed to support heavy duty fleets and the long-haul. It helps class 8 fleets maximize valuable uptime, with no limits on major repair costs and expanded coverage including wearout.

- Generous coverage with high limits of liability
- Program caps: Model year <10 years, Mileage <900K miles
- ZERO deductible when repaired at any Bergey's Truck Center
- Flexible add-on options based on fleet needs
- 1-3 year terms based on mileage, class and options
