

Volvo Certified Warranty

WARRANTY PRICING

Volvo Certified delivers the most comprehensive used truck warranty on the market, offering a seamless transition from factory coverage to extended protection. All eligible trucks are eight model years or newer and must be equipped with a Volvo engine. If the truck includes a Volvo transmission, it's automatically covered at no additional cost.

Each warranty includes a \$350 deductible per visit and can be enhanced with an optional Uptime Service Bundle featuring Remote Diagnostics, ASIST, Remote Programming, and Volvo Action Services.
