From hardworking pickup trucks to service and delivery vans, Ex-Guard provides reliable front-end protection for more of the vehicles your business depends on every day. Built to withstand a collision and keep you driving, Ex-Guard Grille Guards help reduce damage from road hazards and animal strikes, and prevent costly downtime.

Ex-Guard semi-truck fleets have consistently **reduced their downtime by 80%** and their **replacement part costs** for front-end components **by more than 97%**.

**YOUR TRUCKS WORK HARD. KEEP THEM  
WORKING THROUGH EVERY SEASON.**
